

**UPPER CANADA COLLEGE
2015-2017 COURSE SELECTION FORM – IB**

Student Name (print): _____

FIRST

LAST

How to use this form:

Select your IB program (6 courses: 3 Higher Level, 3 Standard Level, plus Theory of Knowledge) from the lists below by checking the boxes beside course names. Before doing so, review your past and current marks and ensure that you have the Foundation Year prerequisites for these IB subjects. Also make certain that your program includes prerequisites for admission to university degree programs that interest you. Course offerings are conditional upon sufficient enrolment and student choice of Higher Level courses is subject to departmental review based on past performance. *Although every effort will be made to timetable the combination of courses that you indicate here, this may not be possible. If for any reason we are unable to accommodate one of your choices, you will be contacted for an alternative selection.* For more information on courses, please see our Academic Program Guide at www.ucc.on.ca → Upper 8-12 → Academics.

Online Course Selections:

Students should retain this form for their records and use it as a guide when entering their course selections online (see over for instructions). The database will open for student input on Tuesday, January 27, 2015.

The deadline for entering course selections is the end of day on **Friday, February 27, 2015.**

IB COURSE SELECTION	
IB Group 1: Language A (select one)	
<i>Compulsory: every student must select one English course. Optional: a second Language A may be chosen — permission from the Academic Dean is required.</i>	
<input type="checkbox"/> HL English Literature <input type="checkbox"/> HL English Language & Literature <input type="checkbox"/> HL French <input type="checkbox"/> HL International Language: _____ <i>(fees apply)</i>	<input type="checkbox"/> SL English Literature <input type="checkbox"/> SL English Language & Literature <input type="checkbox"/> SL Mandarin <input type="checkbox"/> SL International Language: _____ <i>(fees apply)</i>

<input type="checkbox"/> HL Dramatic Arts <input type="checkbox"/> HL Film <input type="checkbox"/> HL Music <input type="checkbox"/> HL Visual Arts	<input type="checkbox"/> SL Film <input type="checkbox"/> SL Music <input type="checkbox"/> SL Visual Arts
Theory of Knowledge (select one)	
<input type="checkbox"/> Day	<input type="checkbox"/> Evening <i>(Evening TOK is a limited enrolment option)</i>

Academic Planner:

Students are required to complete the Academic Planner, below (and online), in order to ensure that they are selecting courses that provide the required background for their IB program and for university admission.

Indicate any university degree programs in which you currently have interest:		
1. _____	2. _____	3. _____

COURSE SELECTIONS MUST BE ENTERED ONLINE. SEE OVER FOR INSTRUCTIONS.

ONLINE COURSE SELECTION INSTRUCTIONS

FOR STUDENTS:

How to log into NetClassroom to select your courses for the next academic year:*

1. Go to the 'Bluenet' login page: bluenet.ucc.on.ca
2. You will then be taken to a new page where you will be asked to authenticate.
 - a. Username: your email login (typically firstname.lastname without the @ucc.on.ca)
 - b. Password: your email password
3. Click on the link that says NetClassroom.
4. Using your hard copy course selection form as a guide, enter your selected courses in the required areas.
5. Follow the instructions at the side of the page to ensure that your courses are entered correctly.
6. If you experience technical difficulties, you may contact helpdesk@ucc.on.ca, which will be monitored regularly. You may also call (416) 484-8636 ext. 3323 to reach the Help Desk between the hours of 8:00am and 4:30pm.

*Students will have a limited period of time to log in and enter their selections. **The online course selection database will open on Tuesday, January 27 and close on Friday, February 27.** Students should use the completed hard copy course selection form as their guide for data entry. Depending on the year the student is entering, there will be some restrictions in the courses that are available (e.g. students can only select courses for which they have the necessary prerequisites).

FOR PARENTS:

Parents will be required to log into the online course selection area to provide electronic approval of their son's chosen program. The deadline for entry of course selections and parental approval is **February 27**.

How to approve your son's online course selections:

1. Login to Bluenet as you normally would to receive billing information and interim report cards.
2. Click on NetClassroom.
3. Move your mouse to Registration, then click Enter requests (be sure you have the correct student selected if you have more than one son attending UCC).
4. Choose either "yes" or "no" for "Do you approve of these requests?". If you choose "no" please enter a detailed explanation in the field below. For example: I would like my son to take a foreign language, Spanish, preferably. The rest of the courses I do approve. Click Submit.
5. Click OK. The "Message from webpage" will be gone, but you will still be on the Registration screen. This completes the process for students and parents.
6. Log out of Bluenet.

Once students have entered their selections online and parental approval has been provided, the information will be reviewed by the relevant Department Chairs, Dr. Kinnear, Ms. Ridout, Ms. Carvalho, Ms. Audet, and Mr. Turner. In some cases, individual counselling sessions may be required to discuss, and possibly amend, initial choices. If necessary, course choices may be revisited in light of the June results.
