

UCC Hockey Holiday Skills

The UCC hockey program will be offering semi-private instruction over the holiday break for any interested UCC students. All sessions will be run by UCC skills coach Mike Clarke and are **only for students of the College**.

The classes will consist of power skating, puck handling, and shooting instruction tailored to the age and skill level of the group. Each hour session will cost \$100 total with a maximum of 5 skaters. You can either bring out a few friends or teammates, (up to 5 skaters) or have a private session. It is recommended that groups consist of players of similar age and playing ability in order to have consistency throughout the session and in all drills.

Please contact Mike Clarke directly at Michael-clarke07@hotmail.com to book your date and time. Spaces will fill up quickly and are on a first come, first served basis. Please specify your son's age, level of play, and how many players are participating.

Cheques should be made **payable** to **Upper Canada College** and given to Mike Clarke upon arrival at your session.
