

January 23, 2017.

Dear Parents,

As part of our Form 4 “Who We Are” inquiry into the Human Body, we are planning a trip to the Ontario Science Centre. Forms 4F and 4O are scheduled for Monday, February 13th. We will participate in a laboratory lesson entitled “Body Works” and following lunch, and some exhibit time, we will watch the IMAX movie “The Human Body”.

We will leave school at 9:15 a.m and return by 3:00 pm. We will have lunch at the Ontario Science Centre. Those boys on the hot lunch program, will have a bagged lunch provided from the school. All other boys are reminded to bring their lunch as usual that day.

Given the active nature of the day, students are allowed to come in regular clothes. The cost of transport and the Ontario Science Centre lab lesson and movie is approximately \$25 per student and will be charged to your son’s account. Please sign the permission slip below and return it to your son’s Form Teacher by Thursday, February 9, 2017. We look forward to an informative and enjoyable visit!

Form 4 Form Teachers

Form 4 Ontario Science Centre Field Trip
