

ASTRONAUT DR. DAVE WILLIAMS IS COMING TO UCC
Friday, March 10 at 9am

We're excited to be welcoming Canada's space walking record holder, Astronaut and MD Dr. Dave Williams to our school on March 10.

To Burp or Not to Burp provides kids ages 7 to 11 with an informative and humorous look at what happens to your body in space- by someone who has been there!

The colourful pages, short blocks of text accompanied by real space photos and humorous illustrations make this a very attractive choice for young readers. The opening message from Dr. Dave empowers kids to follow his example by believing in themselves and following their dreams.

Students love to own a copy of a book from an author they meet so we are offering the opportunity to purchase this book.

HOW TO ORDER

Complete the order form below and return it along with cash or cheque to Your form teacher or to Mrs Love by Monday March 6th. All books ordered will be delivered to school by Friday March 10th.
