

Dear Parents,

The UCC hockey program is once again offering our own "Skills Hockey Camps" starting in September 2017.

These camps will be ran by our very own Mike Clarke (Varsity assistant coach and 8 year pro player) in the fall and Spring seasons. A limit of 18 players (16 skaters and 2 goalies) and registration will be done on a first come first serve basis.

Cost of the Camps will be 100\$ per skater (8 weeks), goalies will be free since we will not have a goalie instructor on the ice. These cost are above and beyond any cost related to any other sport your son might be playing at UCC. Your son's account will be charged at the equal amount of 50\$ of September and October. Because it is a first come first served basis, signing up means you will incur the cost of the entire fee regardless of personal conflicts.

We ask the players to be punctual, display strong work ethic and listening skills.

To register, please email Mike Clarke at michael-clarke07@hotmail.com and answer the following questions

- 1- What camp are you selecting? (Camp #1, #2, #3, #4 or #5)
- 2- What is your son's name and grade?
- 3- What team does your son currently play for?
