

GROUP 5 - MATHEMATICS HL AND SL

Date syllabus ends	Review Start Date	If formal assessments are completed early, how will students be engaged until the end of the term?
Standard Level Approximately April 11 (exact day depends on section)	Approximately April 22. There will be some review done earlier as needed to cover new material as well.	New material will be taught until April 11. The last major unit test is in March, on Integration. Formative quizzes and practice exams will be given and students will receive feedback on their work.
Higher Level Approximately Apr 1	Apr 1. There will be significant review, focusing primarily on last year's course materials.	Formative tests will be given frequently throughout the review period. There will be a focus on the more challenging materials.
